Easter Rock Hunt

We are looking forward to the Rock Hunt TOMORROW!! We would love to see you there. Hopefully the weather will be kind to us for a fun filled afternoon completing the map then joining in with the games and activities back at School. The rocks will be hidden from 12pm and the School activities will start at 2pm – 4pm.

School Choir

Miss Mc will be setting up a School Choir Club on Monday lunchtimes starting after Easter on Monday 15th April, they will be singing a mixture of popular songs old and new.

Singing has many benefits and helps improve memory, emotional well-being, self-esteem and provides a good workout for the heart and lungs. Singing is especially fun for children, helping them connect while developing important social skills.

Let Hannah in the office know if your child would like to join in!

Junior Food Technology

After the Easter break, the Juniors will be focusing on Greek food in their DT lessons, they will be taste testing different types of Greek food and making pitta bread, Greek salad and honey spiced biscuit. To cover the cost of the ingredients, we are asking for £2 per child payable via School money.

Infant Spellings

Reminder that Year 1 and 2 children have spelling activities at the back of their red homework letters and sounds books. It is expected that they should try out an activity each week to help them to learn the spelling patterns.

Dentist

The Lower Juniors have been looking at teeth and would love to have a visit from someone in the dentistry profession to come and tell them some more about teeth! if you have a friend or relative in the dentistry profession that would like to come in and talk to our children, please ask them to get in touch with Hannah in the office.
