## Newsletter 28th March 2024

We have made it to the Easter Break! It was lovely to be able to join Rev Lucie at church yesterday afternoon to reflect on the events of Holy Week. Thank you to all the families who were able to join us and share in the service. We hope you all enjoy a well-deserved rest and an Easter egg or two! We are looking forward to seeing you back in School on Monday 15<sup>th</sup> April.

### Easter Rock Hunt

We had a *cracking* Saturday at the Easter Rock Hunt!! Despite the weather over 60 children took part in the *rocking* treasure-hunt and then enjoyed some silly games, a magnificent raffle, tea, cake and tuck afterwards in School.

It was wonderful to have previous pupils come back to lend a hand; a huge thank you to Lily T, Antoni B, Ellen T and Daniel!

After expenses the event raised £600 which will be earmarked for to help the development of the School's outdoor space!

Thank you to everyone who baked a cake, hunted for rocks, purchased raffle tickets and supported/helped in any way!

### School Choir

Miss Mc will be setting up a School Choir Club on Monday lunchtimes starting after Easter on Monday 15<sup>th</sup> April, they will be singing a mixture of popular songs old and new. Let Hannah in the office know if your child would like to join in!

### Forest School

Last week, the Year 1 children had a fantastic day at Leck St. Peter's on Tuesday, engaging in lots of Lent related crafts. They had some thoughtful ideas about the crafts they had created and were beginning to make the link between symbols and the Easter story. Thank you very much to Mrs Mather at Leck for organising the day.

### Brockhole Trip

On Tuesday, the Juniors went on a trip to Brockhole, Windermere to continue with their learning about the Lake District National Park. They enjoyed taking part in a workshop all about tourism and the impact on the National Park, along with an art activity and some playtime in the park. The weather was lovely and we had a super day! Have a look at our Facebook page for photos of the day.
