Young Leader award

Congratulations to all of our Year five and six children who passed their Young Leader Award on Tuesday. The Young Leader Award offers learners the first stepping stone in leadership skill development. Learners gain experience of organising and leading small games and activities for their peers and are supported to start the development of the skills needed to take on greater responsibilities.

The coach Mr Wilcox said "Thank you for inviting me in to work with both of your fantastic schools. The children at both schools completed the Young Leaders Award to a very high standard. All the children had a brilliant attitude and displayed very good leadership skills." Well done everyone, a fantastic achievement.

Blackpool Zoo

On **Tuesday 21st January**, our infant children will be going on a day trip to Blackpool Zoo to support their polar regions topic work. A letter with more information was sent on Monday and payment of £10.50 is available on SchoolMoney. Thank you to the PTA for funding the coach cost for this trip.

Head lice

We've been made aware that there are a few instances of head lice in school, particularly in KS1. Please check your children for head lice and treat appropriately. Recommended methods of treatment can be found at <https://www.nhs.uk/conditions/head-lice-and-nits/> Thank you

Reindeer Rush

On 16th December we took part in the Reindeer Rush, we have just had confirmation of the total amount raised which was **£638.50** which is fantastic! Thank you everyone for your support for this wonderful charity.

Spelling Frame – Parents guide

We have a new spelling programme in school to encourage the children to practise their spellings whilst having some fun by playing various games. Your child should login using their username and password. For children in Year 1 and 2, their log in details have been glued into the front of their reading diary. The class teacher has a copy of this, so please get in touch if your child misplaces / has forgotten their details.

The Spelling Tiles section offers a range of activities:

- Segment Puzzle – matching up the syllable sections
- Sorting Segments – looking at the syllables and sorting into correct and incorrect spellings
- Segment Silhouette – using the shapes of each letter within the syllables to aid spelling
- Wordsearch – finding the spelling word within a grid
- Type it – spelling the word

To keep it varied, please encourage your child to do some of these activities each time they log on, as well as playing a game.

Any tests will appear first on the main page. Encourage your child to do the Practice and Test sessions. It is important that the sound is always clicked on so that the sentences are read to your child. This should be done no matter how competent a reader your child is.

Thank you for your continued support. Any questions, please speak to the class teachers.

Dear parents,
Places are now available to join a new 12-week football course every Friday at Lancaster Royal Grammar, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is 'FUN through Football', building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a ball per player for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held in the fantastic sports hall so trainers should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.25 per week, which is payable in two instalments. The first payment of £25 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

NEW TOURNAMENT FORMAT

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including: Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.
