Reception have been reading Little Red Riding Hood and acting it out in the role play area. They have written some poems based on the different characters as well as making 'wolf traps'. They have planted some sunflower seeds and are planning to have a competition to see who can grow the tallest one.

This week in Year 1 and 2, we have been using our ideas from reading to write an information text about lions. It included some roarsome facts! We have been designing and choosing materials to make an Inuit boat and are excited to make our boats next week.

In KS2 this week we have been making junk model instruments for the big sing festival next week. Thank you to parents for sending in the recycling junk to make the instruments. They actually sound pretty good! Today we have had a visit from Rachel Edmonds who has kindly brought in some fossils for the children to look at and handle from the Maritime museum. The fossils were animals and plants from pre-historic times. The children had to try and guess what they were: we had some great guesses but didn't quite guess belemnite, ammonite and prehistoric woodlouse!

**Sponsored swim**

On Thursday our swimmers took part in the Sponsored swim at the Lune Valley swimming pool and managed to swim a total of 4.5 miles. What a fantastic achievement! If you would like to donate to the Sponsored swim 2025—please see poster at end of newsletter. The money is being raised to help the pool become more sustainable in the future.

Blessed is the one who perseveres under trial because, having stood the test, that person will receive the crown of life that the Lord has promised to those who love him. (James 1:12)

As a family discuss: What does it mean to have perseverance? How did Jesus show perseverance?
