The children in Class 1 have had a fantastic space themed week! They particularly enjoyed sensory play, musical shape bumps and painting their portraits of Neil Armstrong!

It has certainly been a quiet and studious week this week in KS2, as the year 6 completed their SATs tests. We have all been super proud of their determination to achieve the best they could and now they think SATs stand for Sweets and Treats!!

We have been continuing our river topic and understanding how the river meanders and makes an ox bow lake. In science the year 3/4 have been looking at the different parts of a flower and why some are bright and colourful. The year 5/6 have continued their work on survival of the fittest and understanding Darwin's theory of natural selection.

You can keep up to date with all that we do by visiting our Facebook page at: www.facebook.com/hornbystmargarets

Christian Value: Forgiveness

Colossians 3:13 Forgive each other as Christ has forgiven you.

Talk together about:

- A time when you needed to say sorry
- A time you didn't say sorry but wish you had
- A time when you had to forgive someone who had hurt or upset you

We would love to be able to present Christian Value at Home certificate for those children actively living out the value of forgiveness. These can be found in the entrance.

Dear parents,
Places are now available to join a new 12-week football course every Friday at Salt Ayre Leisure centre, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is FUN through Football; building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held on the fantastic grass pitch so boots should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.25 per week, which is payable in two instalments. The first payment of £25 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including: Best Attitude, Star Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone:

Kian

 We cannot guarantee that the course will run in consecutive weeks
Please note we have a strict no refund policy once the course has been booked
