This week Class 1 have been enjoying the sunshine and started investigating plants outdoors. We found a variety of bushes, trees, plants and weeds. We compared all the colours, shapes, sizes and smells. Next week we're learning about potatoes!

In KS2 this week we have started our Geography river topic. The children enjoyed dramatising the water cycle and finding out that we are actually drinking water that the dinosaurs drank! We then started to understand the different stages of the river and what features are found there. Year 6 have been busy revising for their upcoming SATs tests and have written some excellent character profiles as well as gathering information for a persuasive leaflet they will be completing next week. The Year 3 and 4 children have been composing a letter of interesting facts about the Loch Ness monster.

You can keep up to date with all that we do by visiting our Facebook page at: www.facebook.com/hornbystmargarets

- A time when you needed to say sorry
- A time you didn't say sorry but wish you had
- A time when you had to forgive someone who had hurt or upset you

We would love to be able to present Christian Value at Home certificate for those children actively living out the value of forgiveness. These can be found in the entrance.

Dear parents,
Places are now available to join a new 12-week football course every Friday at Salt Ayre Leisure centre, which is open to both boys and girls.

Our courses teach children correct football techniques by FA qualified coaches who have full DBS (CRB) clearance to work with children. The structure for the course is FUN through Football; building confidence for total beginners and moving onto more complex sessions for experienced players.

We provide a **ball per player** for the majority of our drills ensuring children get more touches of the ball and improve quicker than conventional coaching where children are waiting around to have a turn. The sessions are held on the fantastic grass pitch so boots should be worn. Players are also advised to bring a still drink for the session.

The club has links to local junior teams of which players will be able to play for at the weekend. Players who show advanced ability on the course will be recommended for trials at professional academies. Players who have previously attended courses are currently playing for Preston North End, Blackburn Rovers, Manchester United, Liverpool, Blackpool, Everton, Burnley, Bolton, Oldham, Rochdale and Wigan.

The cost of the course is just £6.25 per week, which is payable in two instalments. The first payment of £25 is due when booking your child on and the second payment of £50 due at the first session. Parents are encouraged to watch the sessions but are welcome to leave children, as every session is fully supervised.

****NEW TOURNAMENT FORMAT****

Every four weeks we have a tournament in order for the children to put their new-found skills into practice with medals awarded at the end of the course for various categories.

ALL PLAYERS WILL RECEIVE A TROPHY AND MEDAL at the presentation, which is held on the final week of the course. Additional trophies will also be awarded in each group from categories including: Best Attitude, Star Player, Most Improved Player, Most Promising Player and Hardest Working Player.

To book a place for your child please telephone:
