11th July 2025

We hope you have a wonderful summer break, our last day in school is Thursday and we will finish at the normal time of 3.30pm. We wish all our year 6 pupils well as they move on to the next stage of their education. We have children going to LGGs, LRGS, Bleasdale and QES. We hope they will keep in touch and let us know how they are getting on.

****Please can the children bring in a carrier bag on Monday for us to send this year's school books home****

This week in KS1 we have been looking at the story of Tiddler by Julia Donaldson. We created our own characters and under the sea adventure.

In maths we have been measuring lots of different things, some of the children were super strong and didn't think the 1kg was very heavy. We agreed that there is a big difference between 1g and 1kg.

On Thursday we had a lovely day with Mrs Mather from Leck when she came to lead us in a day of Forest school. It was great to be outside and see the older children supporting the younger children.

In KS2 this week, we have been finishing off our geography rivers topic by comparing the rivers Amazon, Thames and Lune. It was amazing to find out that each river has eels in them and the River Lune can fit into the River Amazon over 75 times! We also enjoyed looking at photographs of the Frost Fairs held on the River Thames.

In PE this week, we all competed in some cricket matches. The four adults were captains and participated with the children. Miss Yost and Miss Bloomfield certainly had their competitive heads on - don't ask Miss Bloomfield how many times Miss Yost bowled her out, but she did get her revenge by winning their match!

The highlight for UKS2 this week was the Leavers' Party on Wednesday night. A big thank you to the PTA for paying for the event, it was certainly a very enjoyable evening eating pizzas, crisps, ice cream and having a chocolate fountain. We also had an awards ceremony - where the year 6 were presented with their 'Oscar'. (please see Facebook for photos) Thank you to all the staff who helped decorate the hall and helped on the night. A great way to celebrate and be together, before the year 6 move on.

You can keep up to date with all that we do by visiting our Facebook page at: www.facebook.com/hornbystmargarets

In Celebration assembly this week, we celebrated:

Ronnie, who has been awarded the Clubman football trophy for the 2024/25 season for his club Millhead FC.

It was Skylas dance presentation on Saturday, where they showcased some dances they had to do in their IDTA exams last year. Skyla came away with a medal, a plaque, a certificate and also got awarded a trophy for the "best effort all year round" in the mini juniors class. Well done!

Teddy, who came second in the Young Handler class at the Great Yorkshire Show with his hound Fireman.

These achievements are fabulous! Well done.

 <p>Our value this term is Hope</p>		Eira for her positive attitude. You share your hope that things can get done if you work hard at it. Daisy - for always demonstrating hope by being very positive and making sure everyone is involved	

Christian Value: Hope

We have this hope as an anchor for the soul, firm and secure. (Hebrews)

Talk together about:

‘To help my hope to grow, I will...’ Ask your family to help you

Plant a seed and watch it grow

Do a ‘signs of hope’ walk: as you walk around your area, look for things that are growing. What do you think they will look like when they are fully grown?

School Money

As we are in the last term of this academic year, please can you ensure your Schoolmoney accounts are paid up to date, if you have any problems, please see Hannah in the office.
