

The Lune Valley Federation of Leck St Peter's and Hornby St Margaret's
Church of England Primary Schools

Policy for Special Educational Needs and Disability

Special Education Needs Statement

At Leck St Peter's and Hornby St Margaret's Hornby St Margaret's Church of England Primary Schools, we are committed to making our best endeavours to meet the special educational needs of pupils and ensuring that they achieve the best possible educational and other outcomes. Every teacher is a teacher of every child, including those with SEND.

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

In line with our vision, all children are supported within the distinctively Christian ethos of the school. Every teacher is a teacher of every child, including those with SEND.

Mr Maunder is the SENDCO.

He can be contacted on bmaunder@leck-st-peters.lancs.sch.uk

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

Mr Maunder is the SENDCO and is available in school for appointments. He can be contacted via email or through the school office. Mr Maunder will attend staff, leadership team, governors' meetings and educational consultation meetings on request. Otherwise, Mrs Nicole Davison is the advocate for pupils with SEND at such meetings.

This policy complies with the statutory requirement laid out in the SEND Code of Practice 0 – 25 (September 2014) 3.65 and has been written with reference to the following guidance and documents:

- Equality Act 2010: advice for schools DfE Feb 2013
- SEND Code of Practice 0 – 25 (September 2014)
- Schools SEN Information Report Regulations (2014)

Aims and Objectives of the SEND policy

We value all the children in our schools equally and we recognise the entitlement of each child to receive the best possible education. Within a caring and mutually supportive environment we aim to:

- Build upon the strengths and achievements of the child
- Create an environment in which all individuals are valued, have respect for one another and grow in self-esteem.
- Give equal access to all aspects of school life through academic, social and practical experiences. This will allow all children to experience success regardless of SEN, disability or any other factor that may affect their attainment. This is in so far as it is reasonably practical and compatible with the child receiving their special educational provision and the effective education of their fellow pupils.
- Ensure that effective channels of communication are sustained so that all persons including parents and carers are aware of the pupil's progress and Special Educational Provision (SEP) made for them.
- Assess children regularly so that those with SEN are identified as early as possible.
- Enable pupils with special educational needs to make the greatest progress possible.
- Work towards developing expertise in using inclusive teaching and learning strategies.

Objectives

In order to achieve our aims and to ensure that children with special educational needs achieve their full potential and make progress we will:

- Work within the guidance provided in the SEND Code of Practice 0-25 Years (2014).
- Ensure pupil participation and involvement in their learning, with increasing responsibility for their learning and behaviour as they move through the school.
- Ensure good parent and carer involvement in children's learning and development.
- Ensure that the school offers a broad, balanced and differentiated curriculum that is accessible to pupils with special educational needs and promotes high standards of

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

attainment and achievement.

- Ensure that the learning needs of pupils with special educational needs are identified and assessed as early as possible; that outcomes of Special Educational Provision (SEP) are determined; and that their progress towards these outcomes is closely monitored.
- Ensure all teachers take responsibility for planning and meeting the learning needs of special educational needs pupils, and of deploying support staff effectively to meet children's learning needs.
- Ensure that the school liaises with special schools and outside agencies effectively to meet the needs of staff and pupils.

Key Personnel at Leck St Peter's and Hornby St Margaret's

- Special Educational Needs Co-ordinator (SENDCO): Ben Maunder
- Nominated SEND Governor: Chris Hunter
- Headteacher: Nicole Davison

Broad Areas of Need

These four broad areas give an overview of the range of needs that may be planned for.

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and/or physical impairment.

The purpose of identification is to work out what action the school needs to take, not to fit a pupil into a category. We identify the needs of pupils by considering the needs of the whole child, which will include not just the special educational needs of the child or young person.

There are occasions when progress and attainment are affected by factors other than special educational needs. For example:

- Having a disability
- Attendance and punctuality
- Health and welfare
- Using English as an Additional Language (EAL)
- Being in receipt of Pupil Premium Grant
- Being a Looked After Child

Where this is the case, appropriate provision will be made, but this does not automatically necessitate the child receiving Special Educational Provision (SEP).

A Graduated Approach to SEN Support

The school is committed to early identification in order to meet the needs of children with SEN. Teachers are responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff.

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

Teachers' ongoing assessment will provide information about areas where a child is not progressing satisfactorily. These observations may be supported by formal assessments such as Baseline Assessment, SATs or the use of the Government's Engagement model, whilst still using PIVATS as an assessment tool. Teachers will then consult the SENDCO to consider what else might be done – the child's learning characteristics; the learning environment, the task and the teaching style should always be considered.

Progress for children will be achieved by focussing on classroom organisation, teaching materials, teaching style and differentiation. If subsequent intervention does not lead to adequate progress then the teacher will consult the SENDCO to review the strategies that have been used. This review may lead to the conclusion that the pupil requires help that is additional to or different from that which is normally available. This would constitute Special Educational Provision (SEP) and the child would be registered as receiving SEN Support. We seek to identify pupils making **less than expected progress** given their age and individual circumstances. This can be characterised by progress which:

- is significantly slower than that of their peers starting from the same baseline
- fails to match or better the child's previous rate of progress
- fails to close the attainment gap between the child and their peers
- widens the attainment gap
- fails to make progress with wider development or social and emotional needs
- fails to make progress in self-help, social and personal skills

The school will use the graduated approach as advised in the Code of Practice 0-25 Years – 'Assess, Plan, Do, Review'. This process is initiated, facilitated and overseen by the SENDCO, whilst the class teacher is responsible for carrying out the process of assessing, planning, doing and reviewing. Where external agencies are involved, the SENDCO will be responsible for liaising with those agencies. The SENDCO will also provide advice and guidance throughout the process, and may carry out some additional assessment. The SENDCO will update all records of provision and impact of that provision. The teacher will maintain the personalized plans and keep them updated.

ASSESS - The teacher and SENDCO will consider all of the information gathered from within the school about the pupil's progress, alongside national data and expectations of progress. This will include formative assessment, using effective tools and early assessment materials. From this, we identify the child's current attainment, achievements and learning profile. This may involve taking advice from the SENDCO, external specialists and may include the use of diagnostic and other assessments to determine the exact areas of need and strategies recommended. Where external specialists are involved directly with the pupil, parental consent will be sought first. Information may also be gathered using person-centred tools to discover what is important to the pupil and how best we can support them.

PLAN – Pupils and parents will be involved in the planning process as much as possible. Person-centred tools may be employed to facilitate this. This means that the pupil and their parents/ carers are supported in the planning process to arrive at goals and plans that make them key players in the learning process. This will be used to ascertain aspirations and

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

outcomes for the child in the short and longer term. Parents and pupils will take away a copy of the plans for the term, which will include the expected outcomes, actions and strategies and provision to be used. A review date will also be set.

DO- The strategies and interventions agreed in the plan will be implemented and progress monitored using the school's usual assessment systems, plus specific tracking of progress through any interventions. Progress may be measured through assessment scores and/or through qualitative observations.

REVIEW- The progress of the pupil will be reviewed at the end of the specified period of intervention. This review will form the basis of further assessment and planning. Meetings with pupils and parents happen at least termly reviews of the written support plan.

SEN Information Report and Local Offer

The school's SEN Information Report and Local Offer can be found on the school websites:

www.hornby.lancs.sch.uk

www.leck-st-peters.lancs.sch.uk

This indicates the type of provision the school currently offers to pupils with SEN and disability. It is reviewed annually. The level and type of provision decided on for individual pupils is that which is required to meet the planned outcomes.

Statutory Assessment of SEN

If the school is unable to meet with all of the agreed provision from its existing resources, finance and staffing expertise; and the outcomes for the child are not improving despite SEN Support, then the school may request a statutory assessment from the Local Authority, which may lead to an Education, Health and Care Plan.

The school will provide the evidence about the child's progress over time, documentation in relation to the child's SEN Support and any action taken to deal with their needs, including any resources or special arrangements in place.

This information may include:

- the child's individualised provision map (IPM)
- the child's one-page profile
- records of reviews with pupils and parents, and their outcomes
- Early Help Assessment (EHA) (if applicable)
- medical information where relevant
- National Curriculum attainment, and wider learning profile
- educational and other assessments, e.g. Educational Psychologist
- views of the parent and the child
- involvement of outside agencies

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

If the Local Authority (LA) agrees to a Statutory Assessment, it must assess the education, health and care needs of that child. The LA must request advice and information on the child and the provision that must be put in place to meet those needs from:

- parents/ carers and/ or child
- the school
- an educational psychologist
- health
- social care
- anyone else that parents/ carers request
- a specialist teacher for the visually impaired or hearing impaired, if appropriate

From this information, it must then be decided whether or not to issue an Education, Health and Care Plan (EHCP). Further information can be found on the LA website

www.lancashire.gov.uk/send

Annual Review of the EHC Plan

All Statements/ EHC Plans must be reviewed at least annually. The SENDCO initiate the process of relevant people to the meeting. This will include pupils, parents and others close to the child who pupils and parents would like to attend. Relevant professionals from within school and outside agencies will also be invited, as will a representative from the LA. The review will be person (child)-centred, looking at:

- progress on actions towards agreed outcomes
- what we appreciate and admire about the child
- what is important to the child now
- what is important to the child in the future
- how best to support the child
- questions to answer/ issues we are struggling with
- action plan

Any amendments to the EHC Plan will be recorded. The SENDCO will record the outcomes of this meeting and the Head Teacher will ensure that it is sent to the LA.

Criteria for exiting Special Educational Provision

A child may no longer require SEP, where they

- make progress significantly quicker than that of their peers
- close the attainment gap between them and their peers
- make significant progress with wider development or social and emotional needs, such that they no longer require provision that is additional to or different from their peers

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

- make progress in self-help, social and personal skills, such that they no longer require provision that is additional to or different from their peers

This would be determined at the review stage.

Supporting pupils and families

Lancashire Local Authority's Local Offer can be found at www.lancashire.gov.uk/send

This policy forms part of the school's SEN Information Report.

The school is committed to working closely with parents and a number of initiatives to develop closer working relationships have been developed in the last year. Parents meet regularly with school staff and concerns and successes are shared. Parents are made aware of parent partnership and supported to engage with external agencies. A regular newsletter for parent's outlining support groups and help can be found at:

www.lancashire.gov.uk/children-education-families/special-educational-needs-and-disabilities/getting-help/send-newsletter/

Parents will be involved at every stage of their child's progress, through liaison with the class teacher and later the SENDCO. Parents are encouraged to be involved with target setting for personalised plans. Some home activities may be provided. Parents and pupils are invited to target setting meetings and to review progress. Parents of children with Statements/ EHC Plans will also be invited to an annual review, along with relevant support service personnel connected to the child, and the pupil themselves. The Governors' Annual Report informs all parents of changes to the SEN Policy and of the outcomes of targets set in the Policy and new targets set for the coming year.

Medical issues are first discussed with the parents/carer. If support is required the school nurse will be contacted. The child may then be referred for assessment through his/her GP.

The School Attendance Support Team can offer advice. If a teacher is concerned about the welfare of a child they should consult the SENDCO and/or Headteacher as Child Protection Co-ordinator.

Depending on the special educational needs of the children different agencies may be involved e.g. occupational therapist, speech and language therapist, physiotherapist, psychiatrist, the Traveller Service or other specialist teachers.

Safeguarding Children with SEND

We are aware that children with Special Educational Needs and Disabilities (SEND) can be especially vulnerable to abuse. Disabled and deaf children are three times more likely to be abused than their peers. Additional barriers can sometimes exist when recognising abuse in SEND children such as: • assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration; • being more prone to peer group isolation than other children; • the

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; • communication barriers and difficulties in overcoming these barriers.

We therefore:

- train all staff about the extra vulnerabilities of children with SEND, particularly those adults who are working in 1:1 or small group situations
- offer support for those staff working with children with SEND
- ensure that every child has a way of communicating their voice and that it is listened to and responded to
- closely monitor children with SEND through high vigilance of staff and the open ethos of the school
- offer pastoral support to children with SEND when monitoring has identified that they require this additional support
- every child in school knows that they can trust all adults in school and that they can communicate any worries they might have with any adult in school
- maintain positive, open and honest relationships and communication with parents/carers of children with SEND and ensure that opportunities for regular communication are used.

Designated Safeguarding Lead (DSL): Mrs Nicole Davison (Hornby and Leck)

Deputy Designated Safeguarding Lead: Mrs Viki Mather (Leck)

Nominated Safeguarding Governor: Rev Lucie Lunn

Early Help

Leck St Peter's and Hornby St Margaret's are committed to providing our families with the right help at the right time.

Any child may benefit from early help, but all school and college staff should be particularly alert to the potential need for early help for a child who:

- is disabled and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan).

We therefore ensure that:

- ALL staff and volunteers can identify the risk factors that indicate a family or pupil may benefit from Early Help
- ALL staff and volunteers will use the school's agreed format for letting the DSL know about Early Help requirements
- DSLs will undertake an Early Help assessment, when appropriate, to identify what Early Help is required
- DSLs will signpost and refer to appropriate support agencies
- DSLs will lead on Early Help meetings where it is appropriate for them to do so
- DSLs will utilise Children and Family Wellbeing Service using the Request for

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

Support form

- DSLs will refer to CSC where Early Help has not been successful in reducing risk and meeting unmet needs using Lancashire Continuum of Need and Thresholds Guidance and CSC referral form
- DSLs and other identified staff will identify and work with any organisations that are relevant in meeting the needs of pupils and their families
- DSLs and other identified staff will initiate and maintain positive and supportive relationships with parents and carers of children who may benefit from Early Help
- DSLs will generally be the lead for Early Help cases

Bullying

Bullying is taken very seriously. To view the school's policy on anti-bullying, see the school's website.

Statistically, children with SEND are more likely than their peers to experience bullying. Consequently, staff and governors at both schools endeavour to generate a culture of support and care among pupils.

Admissions

Pupils with special educational needs will be admitted to both schools in line with the individual school's admissions policy. The schools are aware of the statutory requirements of the Children and Families Act 2014 and will meet the Act's requirements. The schools will use their induction meetings to work closely with parents to ascertain whether a child has been identified as having, or possibly having special educational needs. In the case of a pupil joining the school from another school, both schools will seek to ascertain from parents whether the child has special education needs and will access previous records as quickly as possible. If the schools are alerted to the fact that a child may have a difficulty in learning they will make their best endeavours to collect all relevant information and plan a relevant differentiated curriculum. The Admissions policy is available on the school's website.

When a pupil transfers to another school, transfer documents, including full records of their special educational needs, will be sent to the receiving school. On transfer to secondary school the Year 6 teachers will meet with the designated teacher of the receiving school to discuss SEN records and the needs of the individual pupils. An invitation will be issued for a representative of the receiving school to attend the transition review meeting held in Year 6.

Medical Needs

The schools recognise that pupils at each school with medical conditions should be properly supported so that they have full access to education, including school trips and physical education. Some children with medical conditions may be disabled and where this is the case the school will comply with its duties under the Equality Act 2010.

Some may also have special educational needs (SEN) and may have a statement, or Education, Health and Care (EHC) plan which brings together health and social care needs,

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

as well as their special educational provision and the SEND Code of Practice (2014) is followed.

The school's policy on medical needs can be found on the school's websites.

Training and resources

Governors will ensure that there is a suitably qualified SENDCO who has the time necessary to undertake the role. Time is identified for staff to review pupil progress, discuss pupil curriculum needs and to transfer information between classes and phases. Teacher Assistant time is allocated to ensure all pupils receive the individual support outlined in the individual plans and teachers are responsible for ensuring this takes place and is monitored.

The Governors ensure that time is allocated to allow for monitoring of provision and pupil progress.

Training for teachers and teacher assistants is provided both within school and through other professional development activities such as Stepping Stones online training.

The schools use funding to provide external professional advice and support for individual pupils in line with their statements and in relation to needs.

The governors will ensure that they are kept fully abreast of their statutory responsibilities by attending training and receiving regular updates from the Headteacher or the SENDCO.

The SENDCO will keep abreast of current research and thinking on SEN matters.

The SENDCO will be supported to enhance their knowledge, skills and abilities through courses or from the support of other professionals.

The SENDCO will disseminate knowledge or skills gained through staff meetings, whole school INSET or consultation with individual members of staff.

External agencies may be invited to take part in INSET.

SEN training is included within INSET days and staff meetings to reflect the needs of the schools and individual staff members.

Funding is deployed in the budget to meet the cost of:

- Teaching assistants
- Specialist teacher support
- Provision of resources for children as required to meet their needs
- INSET and training for SENCo, teachers and teaching assistants.

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

Funding received for a statement/ Education Health Care Plan is allocated to ensure appropriate provision.

Monitoring and evaluation of SEND

The following will be used as indicators of the successful intervention on behalf of the SEN pupils:

<u>Quantitative Judgements</u>	<u>Qualitative Judgements</u>
Movement up and down stages – and off the register	Staff views (Head teacher, teacher, SENDCO, SSA)
SATS' scores/levels	Pupil views
Attitude scales	Outside agency views
IEP targets met	Pupils' books
Complaints	

This policy will be reviewed annually and updated in the light of new developments. Progress on the annual targets will be reported in the Annual Governors Report to Parents.

Roles and Responsibilities

The Governing Body

The SEN Governor will support the Governors to fulfil their statutory obligations by ensuring:

- the full governing body will receive a report at least annually to update progress on SEN issues,
- the SEN policy is reviewed annually,
- the governors' annual report details of the effectiveness of the SEN policy in the last year, any significant changes to the SEN policy, why they have been made and how they will affect SEN provision,
- the school website explains how the school implements the special educational needs statutory requirements reflecting what the school has in place and actually provides for pupils with special educational needs.

The Headteacher

The Headteacher is the 'responsible person' for both schools and manages their school's special educational needs work. The Headteacher will keep the Governing Body informed about the special educational needs provision made by the school. The Headteacher will work closely with the SENDCO, the Special Needs Governor and Staff to ensure the effective

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

day-to-day operation of the school's special educational needs policy. The Headteacher and the SENDCO will identify areas for development in special educational needs and contribute to the school's improvement plan.

The Special Educational Needs & Disability Co-ordinator (SENDCO)

The SENDCO is responsible for:

- co-ordinating SEN provision for children.
- liaising with and advising teachers
- maintaining the school's SEN register and overseeing the records of all pupils with special educational needs
- liaising with parents of children with special educational needs
- liaising with external agencies including the educational psychology service and other support agencies, medical and social services and voluntary bodies
- consultation with the class teacher to ensure that IEPs are written and that reviews take place.

Role of Class Teachers and Support Staff

Teachers are responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff. Both the teaching staff and the support assistants have an integrated role in curriculum planning and in supporting the child's learning. They are fully involved in the identification, curriculum differentiation and assessment of pupils with SEN. They work together with the SENDCO to formulate and review Individual Provision Maps, One-Page Profiles and to maintain other SEN records and information.

Accessibility

The DDA, as amended by the SEN and Disability Act 2001, placed a duty on all schools and LAs to plan to increase over time the accessibility of schools for disabled pupils and to implement their plans. Each school publishes its accessibility plans within its Local Offer and its Equality policy. These can be found on the school websites

Storing and managing information

The confidential nature of SEND information is fully recognized. All SEND documentation is stored in accordance with the school's information security policy, which can be viewed under the GDPR tab on the schools' website.

Complaints

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

The complaint procedure for special educational needs mirrors the school's other complaints procedures. Should a parent or carer have a concern about the special provision made for their child they should in the first instance discuss this with the class teacher. If the matter is not resolved satisfactorily parents have recourse to the following:

- discuss the problem with the SENDCO
- discuss the problem with the Headteacher
- Parents are informed about the SEND Information Advice and Support Services (SENDIASS).
- More serious on-going concerns should be presented in writing to the SEN Governor, who will inform the Chairman of the Governors, School Adviser, or the LA SEN Adviser as appropriate.

Reviewing the policy

This policy will be reviewed annually by SENDCO, Head and other staff, governors and parents of children with SEND.

This policy was agreed by the Lune Valley Federation Board of Governors on: 22nd May 2026

The scheduled review date of this policy is: March 2027 (annually).

Signed:

Date:

(On behalf of the Governing Body)

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)

Review

The information in the table below details earlier versions of this document with a brief description of each review and how to distinguish amendments made since the previous version date (if any).

Version Number	Version Description	Date of Revision
1	Original	October 2024
2	Amended: change of name to Mr Maunder from Mrs Davison (acting)	January 2025
3	<p>Policy reviewed:</p> <ul style="list-style-type: none">• Name of SEND Governor changed from Stuart Hemmingway to Chris Hunter.• Local Offer section changed to SEN Information Report and Local Offer and sentence <i>'The SENDCO records the cost of provision made'</i> removed.• Changes made to the role of class teachers and support staff section to change the term 'IEPs' to Individual Provision Maps and One-Page Profiles.• Removal of 'formally parent partnership' and insertion of acronym 'SENDIASS'.	March 2026

BELONGING, BELIEVING, SUCCEEDING TOGETHER

'I have come that you may have life, and have it to the full.' (John 10:10)
